## LB Agar

<b>Cat.No.</b>	<b>Unit</b>
G247	500 g
<b>Cat. No.</b>	G247
<b>Name</b>	LB Agar
<b>Unit</b>	500 g
<b>Category</b>	Reagents and Chemicals
<b>Description</b>	LB Agar is used for the cultivation of <i>E. coli</i> in molecular microbiology techniques. This medium provides nutrients for the bacteria so that it does not have to make its own, resulting in thriving colonies of <i>E. coli</i> . Additionally, LB Agar is useful since it does not preferentially grow one type of bacteria over another.
<b>Storage Condition</b>	Store under cool and dry conditions.

**Caution:** This product is for research use only and is not intended for therapeutic or diagnostic applications.

Please contact a technical service representative for more information (1-866-757-2414).
