Endothelial Cell Growth Supplement (ECGS) - 500X

Cat.No.	Unit
TM141	1 ml

Cat. No.	TM141
Name	Endothelial Cell Growth Supplement (ECGS) - 500X
Description	abm's Endothelial Cell Growth Supplement (ECGS) - 500X addition as a media supplement has been reported to be beneficial for the fusion and growth of hybridoma cells. Extracted from bovine pituitary glands, the ECGS has growth promoting factors for growth of mammalian vascular endothelial cells. It is suitable for cell culture use and is endotoxin tested.
Unit	1 ml
Sterility	Pass
Appearance	Liquid
QC	Each lot has been fully tested and optimized for its ability to support in vitro cell culture. The testing parameters include: adherence rate (where applicable), typical morphology, and metabolism of the tested cells. Additionally, the media has been tested for sterility, pH, osmolality and endotoxin levels.
Storage Condition	Store at -20°C.
